III. And be it enacted, That the said agent be authorized to superintend the collection of balances due to the state on the auditor's books, or on open account; and the said agent shall have power to require payment of, and, if necessary, to sue for and recover the same; and the said agent, with the approbation of the governor and council, may make composition with any such debtors, and take bonds to the state, with sufficient security, and give time for payment, not exceeding two years from the first day of January, one thousand eight hundred.

IV. And be it enacted, That the said agent be authorized to superintend the collection of all monies due to the state for naval duties, fines, penalties, forfeitures and emoluments, and forfeited recognizances, and for ordinary, retailers and marriage licences, and to require payment, and, if necessary, sue for and recover the same; and the said agent may allow for insolvencies, and credit any money that the party is not chargeable with by law, and for his information of the law, he may take the advice of the attorney-general in writing.

V. And be it enacted, That whenever there shall be occasion to expose to public sale the property of any collector, or his securities, by virtue of any execution already issued, or to be issued for this purpose, the said agent shall cause at least thirty days public notice to be given of such sale, and shall attend the same, and if it shall appear that there is danger of losing any part of the debt due to the state, and not otherwise, shall purchase any property so exposed to sale for the use of the state, in payment, or part payment, as the case may be, of the arrearages due by the collectors whose property may be so purchased, and that no purchase authorized by this act shall be considered as made on the part of the state, unless a public declaration to that effect be made by the agent, or his deputy, immediately after such sale and purchase; and any property so purchased for the use of the state, the said agent may again expose to public auction on the most advantageous terms, for the use of the state, and if the same be sold on credit, which shall in no case exceed the term of two years, the said agent shall take bond, with good and sufficient security, to be approved of by the treasurer of the western shore, from the purchasers of such property, and all bonds by him so taken shall be deposited, with an accurate list thereof subscribed by him, in the treasury of the western shore, and shall be a lien upon the real property of such purchasers, and their securities, from the respective dates, or so much thereof as is mentioned in the schedule thereto annexed.

VI. And be it enacted, That the said agent is hereby directed to dispose of all confiscated British property that remains unsold, and take bonds to the state, with sufficient security, and give time for the payment thereof, not exceeding two years from the first day of January, one thousand eight hundred, and that where the quantity of land in any one body subject to such sale exceeds the quantity of fifty acres, such land shall be disposed of at public sale, at the time and place of which sale at least thirty days previous notice shall be given by public advertisement; and that at the time of any sale by virtue of this act, the said agent shall make known that he only sells the right of this state thereto, and that the state doth not guaranty the title to the same, or any part thereof, but that the purchaser must be in all respects at the risk of the purchaser.

VII. And be it enacted, That no payment in future by any officer or person indebted to the state shall be valid and effectual, unless made to the treasurer of the western or eastern shore, or to the agent, or unless made to the clerks and sheriffs of the several counties, in the cases where the said clerks and sheriffs are by law authorized to receive the same.

VIII. And be it enacted, That the agent shall have full power and authority, by and with the advice of the governor and council, in all cases of uncollected debts, to take back any property heretofore purchased by any person, and not yet paid for, in cases where the person so having purchased, and his securities, are not capable of paying for the same, and to compromise the same upon terms and principles of equity and justice, by and with the advice and consent aforesaid; and the agent is

hereby required to lay a particular statement of his proceedings under this section before the next session of assembly.

IX. And be it enacted, That the agent, with the approbation and consent of the governor and council, be and he is hereby authorized and empowered to compromise any suit depending in chancery with any state debtor, upon any terms in their judgment calculated to promote the interest of the state, and to obtain the speedy receipt of the sums due.

X. And be it enacted, That if, under the terms of any compromise made as aforesaid, the property heretofore purchased should be taken back and revented in the state, the same may be sold by the agent, and he is hereby authorized and empowered to sell the same at public sale, giving thirty days notice, on a credit of two years, payable one half of the principal, and the whole interest, annually, on the first day of December in each year, and the bonds, when taken, shall be returned to the treasury of the western shore, and reported to the general assembly at their session next ensuing the taking of such bonds.

XI. And be it enacted, That all cases in chancery, where no compromise under this act is effected, shall be placed under the direction of the agent, who is hereby authorized and required to call on the attorney-general to prosecute or defend the same to immediate final decision; and the governor and council are hereby authorized and empowered, at the request of the agent, in cases of difficulty, to aid the attorney-general, by employing any person to attend to surveys where necessary, or otherwise to assist in the prosecution or defence of said suits, which person or persons are to be paid out of the contingent fund of five hundred pounds; and the names of the persons so employed, together with the sum allowed for their services, to be laid before the general assembly at their next session.

XII. And be it enacted, That if any bond debtor to the state for confiscated property purchased, or otherwise, shall neglect to make payment agreeably to the condition of his bond, and sundry resolves of the general assembly, the said agent shall cause process to issue for the whole principal and interest then due, or shall proceed on any execution already issued, and served and suspended, as occasion may require, or, under the directions and with the approbation of the governor and council, he is hereby authorized to delay any execution as long as they may think expedient and necessary.

XIII. And be it enacted, That the said agent be authorized to superintend the collection of all balances due on bond taken for taxes due before the first day of January, one thousand seven hundred and eighty-three; and the said agent shall also superintend the collection of all balances due on bonds installed, or otherwise, for the emissions of paper money of one thousand seven hundred and sixty nine, and one thousand seven hundred and seventy-three.

XIV. And be it enacted, That no process shall issue against any of the public debtors, unless by the direction of the said agent.

XV. And be it enacted, That the said agent shall have power to fix such days of sale of property taken by *visi facias*, at the suit of the state, as he may think proper, always taking care to give at least twenty days public notice thereof; and the said agent shall also have power to suspend the sales, from time to time, as he may think most to the advantage of the state.

XVI. And be it enacted, That the said agent shall pay into the treasury, in specie, the amount of all specie by him received in the discharge of the duties of this act.

XVII. And be it enacted, That in all cases where bonds shall be taken in virtue of this act, the bonds shall be a lien on the real property of the obligors from the date thereof, or on so much of the said real property as the governor and council shall think sufficient, to be particularly mentioned in a schedule to be annexed to the said bond, in which case it shall be a lien on the property contained in such schedule, and no more, such bond and schedule to be lodged with the treasurer of the western shore.

XVIII. And be it enacted, That all bonds taken in virtue of this act shall express the county in which the obligors respectively reside, and the treasurer of the western shore shall, within one month after he receives them respectively, cause them, with the schedule annexed to them, to be recorded in the office of the clerk of the general court of the western shore, at the expense of the obligors; and a copy of the said record, certified under the hand and official seal of the said clerk, shall be as good evidence in any court of law or equity in this state as the original bond would be if it was produced; and if any of the obligors in any such bonds reside on the eastern shore, the said treasurer shall, within six months from the time he receives the same respectively, transmit to the clerk of the general court of the eastern shore, in the same manner as papers on public service are transmitted, a copy of such bonds and schedules, certified as aforesaid by the clerk of the general court of the western shore, to be recorded in the office of the clerk of the general court of the eastern shore, at the expense of the obligors, and in such case a copy of the said record, certified as aforesaid by the clerk of the general court of the eastern shore, shall be good evidence as aforesaid.

XIX. And be it enacted, That the said agent shall render to the treasurer of the western shore distinct quarterly accounts of his receipts of all money, certificates and bonds, in virtue of this act, and shall immediately thereupon pay and deliver the same to the said treasurer, who shall, in his annual report to the general assembly, state fully and particularly the money, certificates and bonds, by him received from the said agent; and the state when the same were received and accounted for.

XX. And be it enacted, That the said agent shall render a fair and full account of his several proceedings under the authority of this act to the general assembly at their next session, and within the first ten days after its commencement, in which account shall be specified, under distinct heads, his own receipts, and those of the treasurer, and of all transfers of stock upon which he may be entitled to commission, and in which shall also be contained a particular estimate of his commission, shewing how and upon what the same arose due.

XXI. And be it enacted, That the said agent shall, within twenty days after the commencement of the next session of the general assembly, render to each branch of the legislature a fair and distinct account of the debts or sums of money due to the state, ranging the names of the debtors in alphabetical order, and give full and complete information of the manner in which, and the time when, each debt arose, and also the different steps and proceedings which have been taken by himself, or others, for the recovery thereof.

XXII. And be it enacted, That the said agent shall be allowed for his services the following commissions, to wit: for all payments actually made to either of the treasurers in virtue of this act, three per cent. and for all bonds taken by the said agent in virtue of this act, three per cent.

XXIII. And be it enacted, That the said agent, before he enters upon the execution of the duties of this act, shall give bond to the state, before the governor and council, in the penalty of sixty thousand dollars, with such security as the governor and council shall approve, for the faithful performance of the said duties, which bond shall be lodged with the treasurer of the western shore, and shall also take an oath before the chancellor, that he will well and faithfully discharge the duties as agent under the act, entitled, An act to appoint an agent for the year one thousand eight hundred, to the best of his skill and judgment, the certificate of which oath shall be annexed to, or endorsed on, the said bond.

XXIV. And be it enacted, That the agent be and he is hereby authorized and directed to collect any sum or sums of money due from persons residents without the state of Maryland, and, if necessary, sue therefor, and he is also authorized to employ counsel for the recovery of the same, and give such fee as he may think reasonable, and draw on the treasurer of the western shore therefor, who is hereby authorized to pay the amount of such order.

XXV. And be it enacted, That if the said agent shall not accept his appointment, or if after his acceptance he shall not give bond, and take the oath aforesaid, before the first day of February next, or shall die, the governor and council are hereby authorized and required to appoint a fit and proper person in his place, who shall have and execute all the authorities and powers vested in the said William Marbury by this act, such person first giving security, and taking the oath aforesaid.

Notice to State Debtors.

THE Agent requests all debtors to the State of Maryland to discharge their respective balances on or before the tenth day of March next, immediately thereafter all lawful means will be taken to enforce payment, and all penalties incurred by the delinquent clerks and sheriffs will be exacted.

WILLIAM MARBURY, Agent.

Accounts from London say, that arrangements are making for a commercial intercourse between England and France, so far as to carry West-India produce to France, and bring back wheat in return.

N E W Y O R K, February 7.

By recent accounts from St. Mary's, there is reason to apprehend the business of the commissioners, appointed to run the boundary line between the United States and Spain, on the Mississippi, is about to suffer a new interruption. The celebrated British Indian emissary, Bowles, has again appeared among the Creek nation, after an absence of some years in Europe; and assuming the title of director general of Indian affairs, denies the right, either of the United States or Spain, to run the boundary line; proscribes the commissioners as conspirators and orders their arrest if found acting by virtue of their commissions after the 8th of November last. He menaces with death, those Indians who shall hold intercourse with the commissioners without his authority, or who shall in any way oppose his sovereign will and pleasure.

The issue, from the decided tone which the business has assumed, will be the expulsion of colonel Hawkins, the agent of the United States, from the ground or the extirpation of Bowles. Colonel Hawkins, by a pacific disposition, has obtained a great degree of popularity among the Indians; and combines a disrepute, with a resolute and determined conduct. Bowles, however, possesses no inconsiderable degree of influence among those tribes; which, if exerted, must prove a source of much perplexity and expense to the United States.

This speculative enterprise of Bowles, is undoubtedly under the auspices of the British government; but such is the confidence reposed in our executive, that we feel assured, neither the honour or the interest of

the United States, will be insulted or infringed with impunity.

A new periodical publication has made its appearance in Boston, called the "Columbian Phoenix," upon the plan of a literary magazine. However arbitrary and whimsical the derivation of this title may be, we wish for the credit of our country, that this species of publication were better encouraged than they are at present.

By the Betsey, from Surinam, we are informed, that a putrid fever raged on board of the vessels in the harbour to a very alarming degree. The Betsey lost two men; other vessels had lost as many as eight hands. Several vessels were detained there, for the want of sailors. What is somewhat singular, the inhabitants on shore are perfectly healthy.

By the Eutaw, from Cape Francois, we have a file of St. Domingo papers to the 3d ult. On the 18th December advices were received there of the late change in the French government, which were confirmed by the schooner Ariettes, captain Handy, 9 days from Baltimore, who arrived at Cape Francois on the 28th of the same month. The intelligence was proclaimed at the Cape in an address to the inhabitants, exhorting them to be assured, from the well known civism of the new rulers, that the most happy consequences will be likely to result from a change of men and measures; and that the vessel of the state, buffeted for ten years by the tempest of revolution, is about to enter the port in triumph and in peace.

The death of general Washington is announced in these papers in the following handsome terms:—"The hero of America, general George Washington, is dead of a quinsy. Liberty has lost in this great man one of her warmest admirers.—All America is in mourning. There is not an inhabitant of the United States who does not regret the loss of a father, and a friend, and who does not believe that loss irreparable."

SAVANNA, January 21.

The following communication has been transmitted to us from a correspondent at St. Mary's.

January 1, 1800.

This day an express arrived at Point Petre, with dispatches from colonel Hawkins, the Indian agent, to Mr. Ellicott, the United States commissioner for running the boundary line. Among the dispatches received there is a proclamation signed by William Augustus Bowles, styling himself, chief and director general of the Creek Nation, which has been stuck up and made public through the Creek towns. This proclamation exceeds in insolence, impudence and bombast, any thing that hath hitherto been exhibited by this well known adventurer. Bowles, in the most direct terms denies the right of either the United States or Spain to run the boundary line, or to have any intercourse with the Indians, but by his authority. He forbids this on pain of death; to all who may oppose his royal will and pleasure. Bowles orders the Indians to send Mr. Hawkins and others out of the nation. Certain it is, one or other of them ought not to be there; and the people of this country will soon see which of these men have most influence among the Indians, as Mr. Hawkins must quit the ground, or drive Bowles, after such proclamation and threats against him and his country.

It appears that most of the Simanolia Indians, and those on the lower parts of Chatahoche and Flint rivers, have joined Bowles. The dispatches which Mr. Ellicott sent from St. Marks to the governors of Pensacola and Mobile, were taken by the adventurer's Indian scouts, and brought to him: with these dispatches are duplicates of Mr. Ellicott's letters to the secretary of the United States.

P. S. The runners who brought the dispatches say, that Bowles has a vessel arrived with goods from England, for the Indians: this, however, wants confirmation.

Extract of a letter from captain James Lamont, of the ship Lucy, of this port, dated Hamburg, November 24th.

"On my passage from Charleston, in lat. 46. 20. long. 18. I was boarded by a French privateer of 20 guns and 200 men, which examined my papers, treated me very kindly, and told me to proceed on my voyage."

A gentleman who came passenger in the ship Huron, from Hamburg, saw captain Lamont in Altona, who repeated the same fact to him as is contained in the above extract; and adds, that several other American vessels had arrived on the continent, which had been examined by French vessels and dismissed.

A letter from colonel Gaither, commandant of the federal troops in Georgia, dated at Fort Wilkinson, early in January, mentions, that the captain general of his Catholic majesty's provinces, has issued a proclamation, offering a reward of one thousand pounds sterling, for William Augustus Bowles, who styles himself director general of Muskogen, to be paid on his delivery at any one of the royal prisons of said province.

From the Gazette of the United States.

IS THE MAN A GIANT?

A pair of shoes was made a few days ago in this city, by Mr. William Grum, in Chrelessen alley, between Fifth and Sixth-streets, for a man in the Jersey; the size of which is so astonishing, that we communicate their dimension to the public, incredible as it may appear, the fact is to be relied on, that the measurement of one shoe is as follows:—

	Inches.
The length of the shoe	28½
length of the hind quarter	13½
length of the vamp	9
length of the heel	6
width of the sole	6½
width of the heel	5½
length of the vamp over the instep	12½
circumference over the instep	20
circumference length ways	44

N. B. In one of these shoes, two sizeable men put all four of their feet, and did not fill it; nevertheless, it is supposed that the shoes will be rather tight on the man's feet for whom they are made. The price of making them was six dollars. We are told that the man has no disease in his feet, but they are of their natural size; and that he is an active smart man, of prodigious bulk. It is in contemplation to procure a pair of his old shoes for the museum if he will agree to it.

Annapolis, January 13, 1800.

Gentlemen,

HIS excellency the Governor has, by his determination to-day, thought proper to change the day of prayer, in the proclamation respecting general George Washington, to the twenty-second of February next; you will therefore, immediately upon the receipt of this, make the necessary alteration, and consider this as your authority for so doing.

I am, with great respect,

Your obedient servant,

NINIAN PINKNEY, Clerk of the governor and council.

Messrs. Green.

By his EXCELLENCY

BENJAMIN OGLE, Esquire.

GOVERNOR OF MARYLAND,

A PROCLAMATION.

WHEREAS the Legislature of this State, penetrated with regret for the death of the illustrious patriot general George Washington, and zealous to express their high respect and veneration for his eminent virtues and distinguished services to his country, have, by a resolution unanimously assented to on the 17th instant, requested me "to appoint, by proclamation, a day of mourning, humiliation and prayer, throughout this State, and to recommend it to the citizens thereof to assemble in their respective places of worship, to testify, in the most public manner, their veneration for his memory, and to derive, from the just eulogiums of his meritorious services, the best motives for the imitation of his virtues."

And, whereas I entirely accord with the honorable legislature in the measure proposed, and am anxious to co-operate with them in paying this tribute of grateful respect to the merits and long tried patriotism of our deceased fellow-citizen, I have therefore thought proper to recommend and advise, and do hereby recommend and advise accordingly, that the twenty-second day of February next be observed throughout this State as a day of mourning, humiliation and prayer—that the citizens on that day go into mourning, and abstaining, as far as may be, from their secular occupation, devote the time to the sacred duties of religion—that they call to mind the virtues, public services, and unshaken patriotism of the deceased, and admiring endeavour to emulate them—that they implore the Most High God to supply his loss, by inspiring them with a love of true liberty and pure religion, and by dispensing the blessings of peace and knowledge throughout the land—and that he would grant to the people of this and the United States, that the wisdom and virtues of a Washington may never cease to influence and direct our public councils.

Given in the council chamber, at the city of Annapolis, under the seal of the State of Maryland, this eighteenth day of December, in the year of our Lord one thousand seven hundred and ninety-nine.

BEN. OGLE.

By the Governor,
NINIAN PINKNEY, Clerk of the governor and council.

eight shillings and four-pence per annum. Any per-
son who is inclined to purchase may know the terms

RAN away from the subscriber, living in Anne-
Arundel county, on the Head of South river,
negro NELL, a bright mulatto slave, about thirty-
eight years of age, of a thin visage, about five feet
four inches high, with long bushy hair, has been in
common used to house work, she is a very good
spinner, and, in fact, understands how to do any thing
about a house; her cloaths are uncertain, as she took
with her more than one suit; she has been seen in
Annapolis, and it is not unlikely but that she may
now be there. I will pay EIGHT DOLLARS to
any person that will bring her home, or secure her so
that I get her again.
WILLIAM HALL, 3d.

court, at their next April term, for a commission to

JUST RECEIVED,

From LEE's and Co. Patent and Family Medicine
store Baltimore, and for sale by
GIDEON WHITE, Annapolis.
DR. HAMILTON's celebrated
WORM DESTROYING LOZENGES.

The astonishing success which has constantly at-
tended the administration of this medicine, emboldens
the proprietor to offer a return of the purchase money
whenever the desired effects are not produced. Indeed
a single instance of their failure has not come to his
knowledge, where the printed directions have been fol-
lowed.

A tenth part of the evidence already detailed to the
public, is sufficient to convince even the most pre-
judiced, that this medicine is so certain in its opera-
tion, and so salutary in its effects, as to claim the high-
est degree of confidence from the afflicted, or those
otherwise interested in the cure or prevention of all
disorders of the stomach and bowels, especially those
resulting from worms.

The proprietor offers to the inspection of every ap-
plicant, a list of cures with the particulars, longer he
is persuaded than any one will be at the trouble of
reading.

AFFIDAVIT OF RECENT CURES.

MICHAEL DUFFEY, residing at No. 47, Wilke's
street, Fell's-Point, in the city of Baltimore, volun-
tarily maketh oath, that the following statement is just
and true.

In the beginning of May last, my three children,
a boy of seven, and two girls, the one five and the
other three years of age, were taken very ill, nearly
at the same time, of a common fever, as I then sup-
posed; but was soon convinced the disorder was
caused by worms—they were frequently troubled with
convulsion fits, and violent startings in their sleep, and
with almost continual vomiting and purging, particu-
larly the youngest. I made immediate application to
a physician of the first reputation, and his medicines
were administered with a confidence of success which
only increased our disappointment. The children
grew daily worse, and I was absolutely without hopes
of their recovery. The youngest soon appeared al-
most devoid of animation, and scarcely an inhabitant
of this world. In this distressing moment, I was told
that HAMILTON'S WORM DESTROYING LOZENGES
had performed many cures in cases equally desperate
—I immediately purchased a box, and gave each of
them a dose, which in a few hours produced the most
desirable effects; the eldest voided a great number of
very large worms, and the second, thousands of small
ones, many of them not a quarter of an inch long—
in the youngest they seemed to be consumed, and had
the appearance of skins and of slimy matter. I re-
peated the dose agreeable to the paper of direction,
and they all speedily recovered a good state of health,
which they still enjoy, though five months have nearly
elapsed since they were on the borders of the grave,
and the death of the whole appeared to be inevita-
ble.

Sworn before me this 26th day of Sept. 1799.
J. SMITH.

HAHN'S ANTI-BILIOUS PILLS,

Celebrated for

Evacuating superfluous bile, and preventing its mor-
bid secretion—removing obstinate costiveness, and re-
storing lost appetite.

INFALLIBLE AGUE AND FEVER DROPS.

Thousands can testify of their being cured by these
drops, after the bark and every other medicine has
proved ineffectual; and not one in an hundred has
had occasion to take more than one, and numbers not
half a bottle.

DR. HAHN'S TRUE and GENUINE
GERMAN CORN PLASTER.

An infallible remedy for corns, speedily removing
them root and branch, without giving pain.

CHURCH'S GENUINE COUGH DROPS,

A sovereign, speedy and effectual remedy in

Head-aches,	Sore throats,
Catarrhs,	Whoerings,
Shortness of breath,	Congested phlegm,
Ticklings in the throat,	Spitting of blood,
Tightness of the chest,	Soreness of the breast and
Hooping cough,	stomach, &c. &c.

Asthmas and consumptions,

And all disorders of the breasts and lungs.

ESSENCE OF MUSTARD,

FOR the cure of rheumatism, gout, rheumatic
gout, palsy, lumbago, numbness, white-swellings,
chilblains, sprains, bruises, acute and chronic rheuma-
tism.

(Prepared in pills, and in a fluid state for external use.)
This remedy has performed more cures in the com-
plaints than all the medicines ever before made public
—it eminently contains the medicinal properties of
mustard, concentrated in a small compass, and entirely
divested of the impurities so abundant in its crude state
—the virtues of other powerful anti-rheumatics are
combined with it, and render its efficacy unequal-
led.

THE PILLS

strengthen the tone of the stomach, remove cold or
windy complaints, promote the circulation of the
blood, and inflexible perspiration; and by throwing
off the redundant humours of the body in this salu-
tary manner, effectually relieve the most inveterate
rheumatism, gout, palsy, dropsy, &c.

The FLUID ESSENCE

from its warm and penetrating nature, excels every
other application for sprains, bruises, chilblains, num-
bness, weakness of the joints, white-swellings, pains
of the back, and rheumatic complaints of every de-
scription.

A single bottle or box (or both as the case may re-
quire) will prove a complete remedy in slight or recent
complaints, and has never been known to fail, when
persisted in, to effect a permanent cure in any case
whatever.

SOVEREIGN OINTMENT FOR THE ITCH,

Warranted an infallible and immediate cure as once using.

Being the most speedy, effectual, and pleasant re-
medy ever offered to the public, and for the satisfac-
tion of the timorous, the proprietor maketh oath, that
this ointment doth not contain a single particle of
mercury or any other pernicious ingredient in its com-
position, and may be used with the most perfect safety
by pregnant women and on infants newly born.

PATENT

INDIAN VEGETABLE SPECIFIC,

For the cure of

Veneral complaints of every description.

An extensive trial of near four years has proved the
Vegetable Specific to be effectual in expelling the ve-
neral virus, however deeply rooted in the constitution,
and has restored health to many who have been
brought to the grave, by the improper administration
of mercury. Within this period upwards of four
thousand patients have experienced its salutary ef-
fects.

With the medicine is given a description of the
symptoms which obtain in every stage of the disease,
with copious directions for their treatment, so as to
accomplish a perfect cure in the shortest time, and
with the least inconvenience possible.

Those who wish to purchase any of the above ar-
ticles are cautioned against the imposition of inferior
medicines, and to inquire for them only of Mr. Gideon
White.

Wholesale purchasers allowed a liberal profit by ad-
dressing to Rd. Lee, and Co. Baltimore.

NOTICE is hereby given, that the subscriber in-
tends to apply to the Baltimore county court,
to be held in April next, for a commission to mark and
bound the MOUNT CLARE, or GEORGIA PLANTA-
TION, as also a tract of land called BOND'S PLEASANT
HILLS, all situated near the city of Baltimore, agree-
ably to the provisions contained in the act of assembly,
passed at November session, 1786, entitled, An act
for marking and bounding lands, and the several sup-
plements thereto.
